

**SALEEM – New Registration Procedure
for Saudi Arabia
01.01.2020 | Riyadh, Kingdom of Saudi**

According to newest information by the Saudi Arabian authority SASO (Saudi Standards, Metrology and Quality Organization), the following changes will apply to the certification

of shipments of goods to Saudi Arabia from January 2020.

It is important that your importer selects TÜV Rheinland as the certification body in the online portal SABER.

We are happy to inform you about the specific process.

TÜV Rheinland is a global leader in independent inspection services, founded nearly 150 years ago. The group maintains a worldwide presence of more than 20,000 people; annual turnover is EUR 2 billion. The independent experts stand for quality and safety for people, technology and the environment in nearly all aspects of life. TÜV Rheinland inspects technical equipment, products and services, oversees projects, and helps to shape processes and information security for companies. Its experts train people in a wide range of careers and industries. To this end, TÜV Rheinland employs a global network of approved labs, testing and education centers. Since 2006, TÜV Rheinland has been a member of the United Nations Global Compact to promote sustainability and combat corruption.
