

## **Fees – VDI-Mark**

### **Fees to be paid by the manufacturer**

The fees shall be determined based on the following definitions.

1. Product type: All products covered by the certification contract (see scheme rules) in accordance with the same one EN product standard.
2. Subtype: For each product the subtype shall be identified as part of the certification:
  - a) mat (includes mats, wired mats, rolls, felt, mattress and quilt, sheet),
  - b) pipe (pipe section, tube),
  - c) board (includes board, slab and batt) or
  - d) lamella mat (delivery form).

Fees to Quality Assurance Secretariat shall be collected by the empowered certification body and forwarded to the respective organisations according to the following rules.

### **Fees to Quality Assurance Secretariat**

The fee to the Quality Assurance Secretariat (VDI) and the web master (BBRI) shall be collected at the start of each 12 months of renewal of the certificate(s).

Fee for the first year shall be collected at the time of acceptance of the application from the manufacturer.

The fee shall be forwarded to the secretariat from the certification body within 30 days.

Fee to be paid by each manufacturer:

For each product type           1000 EURO per year

For each subtype                 500 EURO per year

With the exception that no product type fee shall be paid for manufacturers having less than 3 products certified (only payment for the number of subtypes is valid in such cases)

Thereafter the Quality Assurance Secretariat proposes a budget for the following year to the Quality Assurance Committee, who decides on the fee.

### **Fees to be paid by the empowered/authorised bodies and registered laboratories**

An application fee of 550 EURO shall be paid to the VDI Mark scheme and collected by the Secretariat within 30 days after the empowerment or authorisation / the registration. This fee includes establishing a link from the VDI-Mark web-site to the web-site of involved parties.

This fee shall only be paid if the empowered body or registered lab is new in the VDI or Keymark scheme for thermal insulation products. That is no new fee for this scheme if already empowered or registered for the building insulation products.
